club was assisted by Mrs. F. A. Gardner of this city. Mr. James G. Traylor was elect-ed president, vice Mr. Stevens, resigned, just preparatory to the third concert. The board of directors has always been very strict in the matter of limiting its

ber of amateur operatic performances, and two operas are now in active rehearsal. "Coronet and Coin" is the title of a work the music of which has been composed by Messrs. Hub T. Smith and D. H. McLeod. Mr. Smith is known as the author of a large number of popular songs, some of which have sequired a wide notoriety, and have been sung by comedians in operations of the control of

competent hands, and the chorus will be large and efficient.

The performance will be given for the benefit of the Children's Country Home, an institution that appeals strongly to the benevolent, and this will undoubtedly induce a large sale of tickets.

Mr. W. L. Nassau and his wife, Mrs. Marie Nassau, gave a private musicale in this city last Thursday, Mr. Nassau is their last Thursday, Mr. Nassau is their prano of St. James' R. C. Church of Philadelphia, and are at present making a visit to this city. The entertainment consisted of the rendition of Mrs. Nassau's latest composition, Vespers in C, which will be performed for the first time at St. James' in Philadelphia on Easter Sunday morning. The vespers are dedicated to Rev. Father P. J. Garvey, who is in charge of the

HOOD'S SARSAPARILLA RESTORED FULL STRENGTH AND HEALTH.

"My husband, a minister of the Gospel, was taken ill and died of typhold fever. My boy and I were all broken up in spirit and body. Shortly after, I was also taken with the fever, and after four weeks' illness I began to get better, but remained weak and feeble. The Methodist minister recommended Hood's Sarsaparilla to me. I purchased three bottles of the medicine and began to take it. My recovery was slow until I began to take Hood's Pills with the Sarsaparilla. I improved rapidly after this. I have not had a physician in the house since. I keep Hood's Sarsaparilla Cuirces
